01

The 2-Minute BRIEFING

Ask: "Give me a concise morning brief on what's trending in [industry]. 150 words. Prioritize what execs would care about."
→ Feels like your own daily research assistant.

SWIPE NEXT

02

The Idea-to-Action CONVERTER

Paste your notes or brainstorming dump and say:

“Turn this into an actionable plan with clear next steps, owners, and metrics.”

→ Turns chaos into clarity.

03

The Blind Spot FINDER

“Review this strategy and list what’s missing, unrealistic, or could backfire.”

→ Quietly replaces a second pair of eyes.

SWIPE NEXT

04

The Instant COACH

“Act as my mentor in [role].
Ask me 3 hard questions that
would make me rethink my
current strategy.”

→ Challenges your thinking —
not just your writing.

05

The ‘5th Slide’

TRICK

“Summarize this 20-page deck into 5 slides for execs — one of them must highlight what’s not being said.”

→ Great for board decks or client presentations.

06

The Problem

TRANSLATOR

“Rewrite this issue in business terms — what’s the real problem behind it?”
→ Perfect for leadership, sales, or client strategy work.

07

The Comparison SHORTCUT

“Compare [Tool A] vs [Tool B] in a table by features, cost, and scalability. Add a final column for which is better for small teams.”

→ Replaces hours of Googling.
