- ◆ You know the axiom about “No Pains and No Gains”. When there is a ratio of Salaries of 1:1 Million. That means that ...
- ◆ This Ratio of 1: 1Million means, that Employee will experience pains, 1Million times more than Employer, for a ratio of 1:1Million
- ◆ You know the axiom about “No Pains and No Gains”. When there is a ratio of Salaries of 1:200, That shall means reasonable compromise
- ◆ The correct ratio I believe in salaries of Mid Manager Level and Owner of a company must be less than or equal to 1:200
- ◆ What does this 1:200 ratio means; Let's say a manager earns, for example 100,000, the owner's salary shall be 20,000,000 (20 Millions)
- ◆ Another example will be for a Manager's salary of 200,000, that will mean the owner's salary will be 40 Millions for 1:200 Ratio
- ◆ If the above ratio is not mandated then , No pains and no gains” shall mean all pains belongs to employees and all Gains & happiness
- ◆ For Employers. Also any ideas thought or produced by Employees must be treated like properties of Employee, that invented it. The employer can Lease his or her ideas for 5 years, 10 years, 20 years or 100 years etc!

The God is not Like a Robot or Something like that. It is Like Magnetic Flux. If there is No Flux (soul), then it can be Presumed body as Dead Mass. When you don't Acknowledge Soul, you are like Animals! The Little Voice in all of us, is His Presence in us all ! It can be realized through Penance (Self Rule). There is a difference like day & night between Glitter and Real. You can behave like Him, in certain way, that doesn't mean you are God. No one (a Human) can be "Almighty" God, No matter what. You can pray to Him, His Soul in us connects us with Him. There is no such thing, Your God and My God. There is only ONE GOD. Start Believing in God. Believe in that almighty God, for your own sake!. God, for weak or Devil, It is opposite to our God and it is called "Super Devil" of Devils! There is New word for Those for whom One feels pity and sorry at the same time, use this word for them, it's a combination of alphabets borrowed from these two words Pity and Sorry and its "SOPIT". Use this word, when devil attempts to steals from you, your pure heart and soul and can't touch or even feel your soul, after listening to that story say ; I feel "Sopit" for you!

- ◆ Asinines of this world, wants you to be like them and at their level of thinking all the time, even though the asinine know you are million times , not ten times or more better in every way!
- ◆ The Most of the Asinine(s) out of this merciful world, Live in eclipsed realty or altered ego reality. The altered ego reality is see my way do my way and live my way...
- ◆ Most of the asinine(s) out of this world think that they are not devilsh, rather they are better than Almighty God. Also They (Asinine) think their God (if any) is better than Yours!
- ◆ The Most of the Asinine(s) out of this merciful world, Live in eclipsed realty or altered ego reality. The altered ego reality is see my way do my way and live my way...
- ◆ The word protocol means their thinking, not His Thinking. If faith is making you asinine, what good that faith is? Yes real and true or absolute faith does make you to reach higher levels of physical ,mental and emotional behaviors!
- ◆ The Wisdom is opposite way of Asinine way of thinking! When you keep 95% of past or historical events in your perspective scope, and do not observe realities of life of today in front of them. You are not going forward at all.
- ◆ If your asinine way of thinking, makes one soul out of 8 Billion souls suffer every way that is physically, mentally and emotionally, then you are an asinine in His opinion. Its not your color that matters, it's your actions matter most always.
- ◆ If you think all asinine behaviors of you and you only, can be replaced with robots or computers except you, then you are not smart at all. When only 5% of past is dragging you down and 95% progressive thinking is moving you forward.
- ◆ For Godly people, mind it, it does not mention GOD but God like behaviors of ordinary people. Learn from them not by force but with love and care they show in their actions. History is proof. If you do not learn from 5% your thinking.
- ◆ That 5% history will decimate your old habits to dirt or ashes. The 95 % progressive & fresh mindset, not weapons will give you peace of mind. Your acts of fair and pure justice, will release you from the bondage of your own rotten or bad or destructive thinking and speeches or talkativeness.
- ◆ Your roars louder than robots shall not make you perfect human being. Your manipulations of immature kings or chosen leaders will not make you superior at all. Its your actions of kindness and helping hand shall make you perfect beings. Whether, you believe in Him or not, it does not matter. What matters is you believe in perfect you and be mindful of what are you doing?

- ◆ When there is only one race that gives preference to color rather than mindset, that must not be the norm of His universe or culture on this planet called, His Earth!
- ◆ When this One race follows loot and shoot policy at their little home on this planet called Earth, it must not prevail any more. The New agency let's call it Global Organization of Democracies, [GOD] or choose another suitable name such as DEVIL, "Democracies Everywhere Valor International League".
- ◆ Some Western Cultures, believes in Ravna (Super devil, an equivalent of 100,000 Headed, I call it Lakhya Ravna). This Lakhya Ravna, Believes in Winning by hook or Crook in the name of Liberty, Freedom of bullshit type talks, Pursuit of Happiness, for themselves not Victims! This hook or Crook also mean give the disease or whatever it takes to win for themselves.
- ◆ When this One race follows loot and shoot policy at their little home on this planet called Earth, it must not prevail any more. These Super devil or Lakhya Ravnas, will do anything to get women and children in the name of democratic reforms in another country, ruled by immature Kings, the kings goal is loot its citizens of their freedoms and get killed for money from abroad.
- ◆ When you see from His perspectives or scope of things of gigantic proportions for example Galaxies and Black holes or white holes (Stars), this planet Earth appears to be like spec of Dust!
- ◆ When I realized in February 2019 that Star like our (His) Sun are attached to Black Holes and hence revolves around it everything for a certain period of time, that is finite and determined by their masses and gravities!
- ◆ When you see from His perspectives or scope of things of gigantic proportions for example Galaxies and Black holes or white holes (Stars), this planet Earth appears to be like spec of Dust!
- ◆ When DEVILS' Scriptures are half truth and Half absolute truth, always remember this, that you do not become slave by following such so called half "truth scripture".
