THE LITMUS TEST, WHETHER SYSTEM IS FASCIST OR DEMOCRATIC FOR ALL

- You know the adage, “No Pains and no Gains”. Just recently we all witnessed. All citizens (masses) were subjected to Pains, a lot of Pains, except Masters of the society!
- When there is ratio more than $[\geq] 100:1$ that’s an indication the system is based on Fascism Principles. For example, if, entry Mid-Level Engineer i.e., after 5 years’ experience is let’s say \$100,000 and CEO’s Salary is $\geq \$100 \times 100,000 \geq \10 Million. Then it’s a Fascist system. In other words, the system is by the Fascist; for the Fascist, of the Fascist, everybody else is slave of Good or Bad Fascists!
- When ratio in incomes is more than 100:1 the revolution is bound to happen. Most likely in the form of revolt(s). The wiseness is self-adjust the ratio in an organized or planned manner.
- All Beasts are Narcissist+, however all Narcissist+, may not be beasts. Good or Bad Narcissist+ are most likely mafia type of some sort.

THE STEM:

STEM scholars are apt to learn all Social rt subjects such as Linguistic, History, Politics, Economics, Psychology etc. Vice Versa is not true.

CREATIVITY:

“Necessity is the mother of invention, However the mother of New Creation is based upon Progressive Innovativeness”. Progressive innovation is achieved by being student all your life.

It is possible to teach innovativeness if you know how to compose succinctly all books, news, and experiences that you know.

NARCISSIST+:

A Narcissist+ will experiment with anything, with no regard for anyone. The Narcissist+ is driven by evil business sense in everything, and nothing can stop except God the Almighty. When God intervenes, it is usually too late and at that Narcissist will not be in control.
